1925-1926

TRAFFIC DEPT DIST.NO.L-WIS.

Minutes of traffic meeting of Sept 15,1925.

The meeting was called to order by Mr.Catel. He reported a message total of 153 thus far.Mr.Catel also read a communication from Hartford in which the work of the Mil. Traffic Dept was mentioned,and extracts from the Badger A.R.R.L. News.

The subject of the plan for police message traffic was brought up and after a general discussion it was decided that a committee be appointed to interview the police officials. Mr.Nickel and Mr.Baird were appointed to act on this committee.

Mr.Quentin 9CII warned the fellows to watch out for messages originating at 1MO or 1MK.Several messages have been sent out from these stations for the purpose of checking up on the operation of the stations handling these.

Mr.Catel reported on a conversation between himself and Mr F.E.Handy at the Chocago Convention. He stated that Mr.Handy syressed the inportance of O.R.S. and messages, and promised that the O.R.S. would mean a good deal more in the near future.

The subject of code practice was brought up and it was decided that code practice be sent out over the air if the Supervisor of Radio permits,and that a code class be organized. Mr.Schunck and Mr.Snead were appointed on the committee to make final arrangements for this.

Mr.Baird discussed the publicity problem and mentioned the poor publicity from the city.He suggested that 4 unofficial correspondents be appointed to aid in this work. It was moved,seconded and carried that Sam Snead's appointment as City Correspondent be approved.

Mr.Catel discussed the subject of lenghth of calls and gave those suggested by Don Wallace of 9ZT at the Natl. Convention. They are: 20M-8Min;40M-4Min;80M-2Min;150-200M-1Mim. It is claimed that the station listening cannot cover the bands thoroughly in a shorter time than that given.

Mr.Catel urged writing a kind of form letter to all parties towhom a message is mailed, This letter would serve to explain the A.R.R.L. pclicy to those who are ignorant of it.

Mr.Schunck gave a very interesting report on the U.S.N.R.F. on the Dubuque.

There being n further business the meeting adjourned.

THE MILWAUKEE RADIO AMATEUR'S CLUB INC.

Minutes of regular meeting if Sept 17,1925.

Business Mgr.Mr.Polacheck stated that he had sent a letter to A.R.R.L. Headquarters urging yearly conventions and moving the League heddquarters to XXXXXXX.Chicago. He also exhibited the German tube which he and Mr.Catel ontained from Germany.

C.M. Mr.Catel gave a resume of the traffic work during the summer months,and of the fraffic meeting of Tues Sept 15. He stressed the point of obtaining more activity in traffic handling.

Mr.Crape A.D.M. announced that cards had been sent out to all O.R.S. asking for information on their operation. The purpose of this was to get information for a tabulation of Wis. stations with their operating hours,schedules,and w wavelenghths.These lists will be sent to all ORS

Mr.Catel stated that he found 80 Meters better for traffic handling than 40M,and urged all traffic stations to operate on 80M.

Impressions gained at the 3rd Natl Conv were given by XXXXXXXXXXXXXXXX the various members who were so fortunate as to be able toattend. The general opinion was that the Xxx League officials at Hartford were strongly opposed to the removal of headquarters to Chicago.

Mr.Polacheck announced that Sam Sneadcis his successor as City Correspondent.

There being no further business the meeting adjourned.

THE MILWAUKEE RADIO AMATEUR'S CLUB INC.

Minutes of Board meeting of Sept 17,1925.

The meeting was called to order by Pres Howell. The membership applications of J.B.Amstutz and Milton Peters were passed on.

The sublect of the likely candidates for offices on the election of Sept 24 was brought up.Mr.Pelacheck and Mr.Howell were called upon to say whether or not they would have time enough to carry their offices if elected.

A general discussion next arose regarding the past attitude of the Milwaukee Journal raharding radio work. It was the general opinion that the majority of the journal officials were not favorably disposed toward it, and that the club should not bind,or obligate otself in any way to that organization. It was also decided that Robt E Knoff the Radio Ed. of that paper should not be allowed an office in the club but could be allowed to hold a position as a member of the B.D.

The tentative lineup of officers as decided ppon is:

Mr.Pelacheck-Pres.
Mr.Catel -Vice Pres .
Mr.Meyer -Secy-Treas.
